

Confidence. Knowledge. Readiness.

Are you confident in staying compliant?

MCN Healthcare makes your life easier by streamlining the policy management activities that ensure accreditation compliance. So what is the policy manager? It is a robust document control and workflow management software solution that simplifies and automates policy access, review and approval throughout your organization.

Business Benefits

What's in it for you?

"MCN Healthcare has been indispensable to our accreditation compliance efforts. With Policy Manager, Policy Library and StayAlert!, we have peace of mind that our policies will always be up-to-date and easy to locate."

BEVERLY MCKENZIE

Director, Compliance Programs

Save staff time for every policy related process.

- Secure online system enables staff to access the right policy document - any time, from any where
- Six-level search capability enables staff to quickly locate any policy
- Automated and fully customizable policy review and approval workflow based on best practice

Minimize IT costs and resource burdens.

- Web-based, SaaS (Software-as-a-Service) delivery model requires no internal IT resources
- All hosting and technical support provided by MCN at no additional charge
- Tier 3, HIPAA-compliant data facility ensures 99.9% uptime

Confidently maintain accreditation compliance

- Always know the location and status of every policy and procedure document
- Eliminate out-of-date and redundant policies
- Establish an audit trail for each policy with automated archiving and version control
- Online collaboration enables faster, more accurate document review
- Manage staff competency with quizzes and other assessment tools

MCN / Suite

Your Total Compliance Solution

About the MCN Suite of Tools:
